BOB MAY GOLF ACADEMY RETURNS
Waikoloa Beach Resort, June 6-July 5, 2016

WAIKOLOA, Hawai'i Island—For the third year in a row, noted golf instructor Bob May will bring his Golf Academy to Waikoloa Beach Resort. From June 6-July 5, 2016, island golfers and visitors will have a chance to learn from the man who “schooled” Tiger Woods in the 2000 PGA Championship in Valhalla.

Bob May pushed Tiger Woods to the limit in a three-hole playoff that ultimately went to Woods, but the golf world never forgot. Today, with over twenty years on the PGA Tour, extensive teaching experience and a solid focus under pressure, May's approach includes both the physical and mental game, for high-handicap players as well as juniors. From fundamentals to finesse, his instruction is inspired by and emphasizes the importance of what he calls “a passion for the game.”

Growing up in California, May's passion for golf started when he was a boy, and he played his first tournament at age 8. He attended Oklahoma State University, and as an Amateur, chalked up an impressive list of tourney wins and golf awards, including *Sports Illustrated* Player of the Year, three times NCAA All American, and a #5 U.S. ranking by Titleist and *Golf Week* Publications.

In 1991, he was a finalist in the British Amateur, and—with Walker Cup teammates Phil Mickelson and David Duval—defeated the European team. That same year, May turned pro, playing competitively on the PGA Tour and Nationwide Tour (now the Web.com Tour) for over 20 years, winning the British Masters in 1999, achieving four second-place titles on the Web.com Tour and three on the PGA Tour, including the unforgettable match with Tiger Woods.
