

## WAIKOLOA BEACH RESORT BEACH & KINGS' COURSES

*Two Breathtaking Courses  
One Unforgettable Experience*

## Waikoloa Beach Resort Offers the Best Group Golf Experience

Located on the Kohala Coast of Hawai'i, the Big Island, Waikoloa Beach Resort offers 36-holes of fun, challenging and visually stunning championship golf. The diversity in course design between the Beach Course and Kings' Course allows for two unique and unmatched group golf experiences.

Designed by Robert Trent Jones, Jr., the Beach Course is the living image that comes to mind when you think of Hawai'i golf – emerald green fairways framed with tropical palms along stark black lava flows, with the Pacific Ocean as a backdrop. It's a 6,566-yard Par 70, with generous landing areas and forgiving greens, but don't let that fool you. When Jones created the Beach Course in 1981, he added the challenge of numerous elevation changes and forced carries over water. And, don't be distracted by the view from the signature Seventh Hole, one of the most picturesque oceanfront Par 5's in Hawai'i.

The Kings' Course, designed by Tom Weiskopf and

Jay Morrish, provides a contrasting experience to the Beach Course. The 7,074-yard Par 72 Kings' Course meanders through the lava fields with undulating fairways and deep pot bunkers. In keeping with the Scottish links-style, there are many open approaches to run the ball up, paired with interesting green complexes to test your putting skills, but Weiskopf and Morrish took it a step farther by including a double green on the Third and Sixth Holes.

Both courses are designed to offer the perfect combination of fun and challenge to give your group a golf experience beyond expectation. Waikoloa Beach Resort Golf distinguishes itself from others with a commitment to providing the best group golf experience in the Islands, and the entire golf staff goes above and beyond to satisfy your golf group's needs, from golf cart presentation to the awards luncheon and more. Our Tournament and Event Manager will handle all of your group's golf needs including specialized starting formats, flexible timing and special event coordination.

## Waikoloa Beach Course Is Resort Golf At Its Finest

*Waikoloa Beach Resort Golf is home to two championship courses; the Robert Trent Jones, Jr. designed Beach Course and the Tom Weiskopf and Jay Morrish designed Kings' Course. Offering two challenging courses of contrasting style and design, Waikoloa Beach Resort is the "must play" venue on the Kohala Coast.*

Winding its way through ancient lava fields along the breathtaking Kohala coastline, Waikoloa's Beach Course is, quite simply, resort golf at its finest. But don't let the swaying coconut trees and gentle ocean breeze lull you into a false sense of security. The Beach Course can also be a significant challenge for quality players. The classic Robert Trent Jones, Jr. design was literally carved from the lava flow along the picturesque Anaeho'omalu Bay.

## Waikoloa Kings' Course Provides The Best of Both Worlds

For a complete test of golf skills, no facility on the Kohala Coast compares with Waikoloa's unique Kings' Course. Designed by former British Open Champion Tom Weikopf and Jay Morrish, the Kings' Course offers golfers the best of two worlds; golf in an island paradise, on a course that more closely resembles a layout along the coast of Scotland. With stunning views of the towering volcanoes of the Big Island framed by palm trees and vibrant flowers, you'll have no trouble remembering that you're golfing in paradise. The 7,000-plus yard links-style course snakes over and around an ancient lava flow and is best known for its wide undulating fairways, multiple tee placements and challenging pot bunkers.
